PLAYERS /MANAGER TRAINING AND *MATCHDAY PROTOCOLS COVID-19 PLAN Season 21-22

Players/Managers Training and Match Day Protocol Covid-19 Plan is an updated Covid-19 guide for season 21-22 and covers the start of Friendly matches until the start of the season or until the end of Lockdown.

This guide for the new season should be read in conjunction with previous guides including Social Club and Ground guidance

There are some minor changes but in general Covid -19 Protocols and Government guidance on Social Distancing have not changed and as of this date there has been no updated NPL or FA guides for Step 3.

Serial	HAZARD/PERSONS AT RISK	RISK ASSESSMENT/GUIDANCE	ACTION REQUIRED By WHOM
1	Transmission of Covid-19 Virus Travel to training Players/Manager	Players should not car share/Players should travel independently If they must travel together it should be the same person each time Keep windows open/Sit as far away from each other as possible Wear face coverings/PPE/Apply Covid-19 guidance particularly on arrival at the Ground Monitor themselves for Covid-19 symptoms	Players Manager SO
2	Transmission of Covid-19 Virus Welfare	Bring own personal water bottle which is labelled Arrive changed ready to train avoid changing rooms where possible	Players Manager SO
3	Transmission of Covid-19 Virus Equipment	Bibs Balls cones goalpost etc must be regularly wiped down Cleaned before during (where touched) and after each session The ball transfer system for balls out of the playing area during match days in previous games worked well however until given guidance otherwise from the NPL or Officials request this will not be in place	Kit Man Players Manager

4	Transmission of Covid-19 Virus Changing Rooms	Changing rooms should socially distance at this moment where practical Players should leave training in the kit they arrived Changing rooms Players should stagger the use to apply social distancing as much as possible Leave the changing rooms as clean as possible Strips should be turned the correct way around and placed in black plastic bags ready for volunteers to wash.	Players Manager Kit Man Volunteers
5	Transmission of Covid-19 Virus All Match Day personnel including Volunteers and spectators	Match day dugout protocols are to be observed by keeping one seat apart from the next player/trainer/substitute. Where this is not possible players/substitute are to use the front row of the Twigg stand remaining one seat apart and wearing a Face covering at all times Visiting Teams: Entry/Leaving to the playing area is to be staggered with visiting teams being allowed on and off first.	Players Managers Volunteers Committee Members
6	Transmission of Covid-19 Virus All Match Day personnel Volunteers and spectators	The Team Management should continue to carry out Training Session Covid-19 checks and ensure Players are aware of the need to check for symptoms prior to Match Days	Players Managers Volunteers
